

THE 2026 COHS EVENT APP

User Manual

Make the most of your Summit experience with the official event app. Receive real-time updates, register for sessions, expand your network and build your personalized schedule with ease.

How to get started?

Follow the steps below to get started and make the most of your event experience:

Download the App

- Scan the Apple Store or Google Play QR code
- Download and install the app

Access the Event

- Once installed, open the app and register using the **same email you used to register for the Summit.**
- When prompted for an event code, enter: **COHS26.**
- Tap "launch" to enter the event

Set Up Your Profile

- From the home screen, navigate to "Your Profile"
- Update your personal information
- Choose your preferences to personalize your experience.
- Ensure your profile is visible if you would like to share images and engage socially.

How to register for sessions in the Event App?

Please follow the instructions below to register for sessions you would like to attend during the Canadian Oral Health Summit:

- From the Home Screen, go to the **Agenda** section, or access it from the menu on the left-hand side of the app.
- Browse through the available sessions by clicking on each session for more details.
- Each session will display one of the following messages in green:
 - **In-app registration required** — you **must** register in the app to reserve a seat.
 - **No registration required – Walk-in welcome** — no sign-up is needed to attend.
- If a session says **In-app registration required**, click **Add** to reserve your seat.

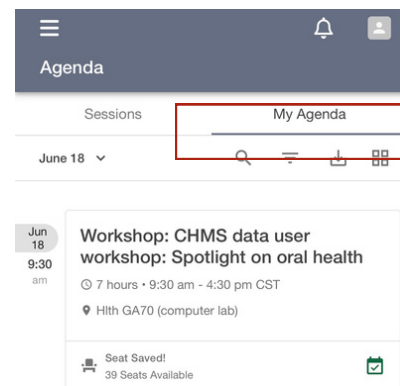

- Sessions may also display the **number of seats available**. If no seat availability is shown, there is enough space for all participants.
- Multiple sessions may take place at the same time. **Please note that you may only register for one session per time slot.** The app will not allow registration for overlapping sessions.
- If you would like to register for a different session occurring at the same time, you must first remove yourself from your existing registered session.

ABOUT

In-app registration required

Format: 6-hour instructor-led training workshop
Time: 9:30am – 12:30pm and 1:30pm – 4:30am
(lunch and coffee breaks will be provided in the middle of the workshop)

- All sessions you have now registered for will appear in the **My Agenda** tab.
- Please keep a look out of your agenda and ensure that you reach the session on time and know in advance the room number.

For any questions, reach out to us on info.cohs@usask.ca.

***Note for speakers:** We request you not to register for your own session(s) as the seats are available only for participants.
